

SCARLINE

A distinct section near our Corfu Crossing and La Reyna Blanca vineyards on the Frenchman Hills that is home to some of our earliest plantings.

This sustainably farmed vineyard on the Royal Slope has a scar-like quality as it cuts through the south slope of this hillside. 26.5 acres, planted 2003-2006.

ELEVATION:
1,365-1,610 ft

SOIL TYPE:
Adkins very fine sandy loam,
Taunton silt loam

ROW SPACING:
8' x 4'
